

Unlike portions of the United States, places like Belize offer wide open doors of opportunity. Bree has been called to labor in this field. As both her pastor and her father, I can speak to her genuine heart for Christian service. She has been faithfully committed to local church service her entire life. Her current ministries include deaf interpretation, van ministry, children's clubs on Wednesday, junior church, VBS, teen ministry, ladies conference, and many more. Bree loves the Lord and ministering to children.

Some might accuse me of bias, but I genuinely believe that Bree will be a ministry multiplier for the McIntosh's on the field. Partnering with her is an investment in evangelism, children's ministry, ladies ministry, discipleship, school administration, teaching, and more. I do not believe you will be disappointed in the work that God will do through her and that your commitment will produce a great return.

Pastor Jason Wiley - Sending Pastor

I have had the joy of knowing Bree for most of her life and have watched her grow into the godly young woman she is today. Bree has demonstrated a consistent walk with Christ, a servant's spirit, and a heart for both evangelism and discipleship. Having grown up in a pastor's home, she has been surrounded by faithful ministry from an early age and has interacted with missionaries throughout her life, which has given her both perspective and preparation for crosscultural service.

Bree has faithfully served in her home church where she has invested her time and talents in multiple areas of ministry. In addition, her five years of proven teaching experience have equipped her with the ability to communicate truth clearly, to guide learners with patience, and to organize with excellence.

We believe the Lord will use her in a meaningful way to advance the gospel, strengthen believers, and encourage the work of church planting in Belize and beyond.

Adam Crabtree - BIM Executive Director

Ms. Wiley shares our passion for serving the Belizean people. During her survey trip, she showed a deep love for the people and a strong desire to reach both children and adults with the true gospel of Jesus Christ. Her role will extend beyond the classroom, as she will work closely with the local churches in both Bullet Tree Falls and Shawville villages, leading programs for young ladies and children that will help multiply our ministry efforts.

We whole-heartedly recommend Ms. Wiley for your missions program. We believe she will be a valuable asset to our work in Belize. With her servant's heart and the guidance of the Lord, we believe that your investment in Ms. Wiley will undoubtedly yield fruitful results, leading many souls to Christ. Please consider partnering with us to support Ms. Wiley as she represents your church on the mission field in Belize.

Junior McIntosh - BIM Missionary in Belize

Reaching Belize and Central America

Bree
WILEY

How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard?...- Romans 10:14

I am Bree Wiley,

And the Lord has called me to be a missionary in Belize and Central America. I am sent out of Bible Baptist Church in Palm Harbor, Florida, through Beacon International Baptist Mission. I have the opportunity of partnering with Junior and Brandi McIntosh in the Cayo District. I am ready and eagerly anticipating my arrival in Belize as we start the school and labor together to see more souls come to the knowledge of their Lord and Savior.

My Ministry Goals:

Children's ministry • Teen ministry

School ministry • Ladies' ministry

Discipleship • Sports Evangelism • Bus ministry

Belize

Belize is a small English-speaking nation in Central America, bordered by Mexico, Guatemala, and the Caribbean Sea, with a population of around 400,000. It is culturally diverse, home to Mestizo, Creole, Maya, Garifuna, and Mennonite communities. The country is known for its tourism, agriculture, and natural wonders such as the Belize Barrier Reef and Mayan ruins. Spiritually, Belize is predominantly Christian, with about 40% Roman Catholic and 30% Protestant, alongside smaller groups like Mennonites and Jehovah's Witnesses. Traditional Mayan and Garifuna practices, other world religions, and a growing secular population also contribute to its diverse spiritual landscape.

My Testimony & Call

As a 9-year-old child, I realized that I had never personally accepted Jesus Christ as Savior. One Sunday evening after hearing my father preach on Jesus being our Redeemer, I wanted to know more. That night, I bowed my head and accepted Him as my personal Savior. I surrendered to missions as a senior in high school at a Christian camp. As I went to Bible college for my education degree, I asked God if He would give me some experience teaching before I went to the mission field. He answered my prayers by giving me a wonderful teaching job that has helped me grow in the areas of teaching and administration. I have continued to serve in my home church in Palm Harbor, Florida. I am involved in our ladies' ministry, bus outreach, Blast kids' classes, and as a deaf interpreter. I had the opportunity to go to Belize the summer of 2025, and God showed me the need of the people for the gospel of Jesus Christ. I am excited to head down there to assist in the ministry of Junior and Brandi McIntosh.
